

Premium D Steel Stakes

Description

OCM Premium D Steel Stakes with holes are primarily used to secure wood or metal forms to the grade in flatwork applications. Other uses may include attaching screed bar holder clamps in flatwork finishing, securing landscape timbers, surveying stakes, string line guides, securing metal forms with pockets and securing wood forming for flatwork.

Features

- Cold Rolled
- Full Diameter
- Machined Point
- Fully Boxed

Additional Notes: SWL provides a safety factor of approximately 2 to 1.
