

PHCA-3-5.5 PHCA-6-10.5 *PHCA-10-18.5

*Recommended maximum height of 14" for the PHCA-10-18.5 due to lateral loading conditions that can place excessive torque and bending forces on the plastic coil thread.

PHCA6-10.5

The OCM Adjustable Unichair® is a versatile and very strong polymer composite support that uses three individual chair/Holder Assemblies to accommodate 3" to 18-1/2" heights.

Part Number	PHCA6-10.5
Thread Dia. (in)	3/4"
H Base Height (in)	5.17"
L Cradle Length (in)	6"
Cradle Opening (in)	1.26"
Height Range (in)	6" - 10-1/2"
Load Test at Min. Height (lbs)	1,565
Load Test At Max. Height (lbs)	472
